Message from the Principal

Yaama

What a fantastic time of year it is! I just love coming to our school and seeing our beautiful gardens. A big thank you to our general assistant Doug Durrant who does a great job of ensuring our gardens look their best!

Summer School Uniform

Now the weather is warming up it is time for our students to start wearing their summer school uniforms.

Healthy Food Choices – Before and During School

Our students are working hard and need all the brain food they can get. Please ensure your child has healthy options in their lunch box to support their learning.

You can find more information about healthy foods here

<https://www1.health.gov.au/internet/main/publishing.nsf/Content/gug-indig-hfsk-1-5yrs>

Drink Bottles

Also don't forget to send plenty of water in water bottles with your child. COVID guidelines and restrictions do not allow us to make the bubblers available for students. Please make sure your child's drink bottle is clearly labelled with their name.

Kindy 2021 Transition Sessions:

Please note that we will not be running our Term 4 Week 1 Kindy transition on Thursday 15 October due to current COVID guidelines and restrictions. We are hoping to hear more about these guidelines early next term and will let you know what will happen as soon as we hear but we do have plans in place for different scenarios. If you know of someone whose child is starting Kindy next year please pass this message on. We will also put this information on our Facebook page and let Werris Creek Pre School know.

Learning with Passion

Last week I got to see 2/3B's fantastic Solar System display.

I also got to see K/1C's gorgeous owls.

Alee showed me her writing about Gabe the monster with his sharp, screeching claws!
